Mr. Paul J. Hoffman
Scout Executive
Abraham Lincoln Council, No. 144

PERSONAL AND CONFIDENTIAL

SUBJECT: JOHN L. SANFORD

Dear Paul:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director

To whom it may
concern:

Here is a
copy of a "peace
bond" signed on
John Lloyd Sanford.

He has been "active"
in Cub Scouts
and like Reverend
Peckham seems
like a good
Eagle Scout. "

However, if some
child of mine
were being supervised
by Scout leaders
with "known domestic
problems" or
known emotional

problems, I would be
very angry and
resentful that your
office allowed
children to be
put in jeopardy!

Boy Scouts of America:

As parents of impressionable young children, we wonder why you condone the choice of people like John Sanford, who has been found guilty of child abuse and neglect in the past, to continue to represent your organization. Don't you ever screen people before you allow them to work with our children? Do we have to have another Reverend Peckham incident before something is done about this?

Check the central computer information at the Department of Children and Family Services if you wish verification of this information.
